"i kn0w.....!"

"i have a dream
ab0ut ice cream
and smiling faces
and things c0l0red
in a fantastic blue".

i use t0 think that this mattered
t0 0thers,
but 0nly difference it makes
it h0w y0u channel these energies
t0 make an 0utc0me,
a pers0nality as it is called.
i am either wild and fun,
"different" 0r/and a nice guy.
what are u?
d0nt matter t0 any1 else what y0u are
just as l0ng as they can take y0u in
0ne f0rm 0r fashi0n,
as l0ng as they can nail y0u s0meh0w,
s0meway.
i use t0 think that this mattered.
and if it didn't
then why d0 i hate s0.
my body hurts,
my mind is in weak 0rder
and my s0ul is damned
like a smiling face 0n a cluttered street.
it matters.
what can u d0 with me,
h0w can u help me?
there's but 1 way.
yes.
n0 l0ve, n0 c0mf0rt
and n0, "being there when u need me".
my need is a c0nstant.
i need G0d,
u'r n0t G0d
i'm n0t,
s0 i WANT u.
'cause y0u need what i need,
and y0u want what i want,
even if y0u kn0w it 0r n0t.
s0 d0 i need u?
d0 u need me?
what do u want.
there isn't much time.

i kn0w l0ve
the p0litic
and the em0ti0n
that it is.
i kn0w
and
i like.
i want t0 feel g00d
and when i d0n't
still kn0w
that it is g00d.
this is l0ve?
n0.
this is s0mthing higher.
this is G0d.
this is care
and the affecti0n
that we were b0rn with.
this is l0ve.
if y0u want l0ve
then it is in y0ur mirr0r craig.
if y0u want l0ve
kn0w us f0r what we are.
n0,
n0t me & U
all.
every0ne is a 1
despite the wh0le
and everyb0dy is hate
as much as they are n0t
the eye 0f such a wicked st0rm.
when i asked if y0u "still" l0ved me
it was because
i knew that i c0uld y0u.
i'm talkin' the l0ve
righte0us 0utside
0ur baser c0nstricti0ns.
and a l0ve n0t
0f my eg0tistic c0nvicti0ns
but 0f a desire.
friends were brothers
in scripture.
times have changed
the "human" spirit is the same.
but another conviction calls to me.
lovers.
not of the worlds breed
but the higher resurrection.

being there when you need me

i promise
i won't
be there when you need me
i am not a convenience
~~time and space~~
~~the careless playmates~~
in the
sticky-fingered whimsy
of time and space
(the oldest playmates)

of dust
our strings align for the
specks of dust and rain
that collect and cling.
like whole heavy tomorrows
suspended by a cobweb in the stillest corner
what pledge of faith
~~shall we~~
can this constellation hold?
i will not fail you
i am all i've made you to believe
you are my witness
~~is~~ every picture i've shown you
and every color therein
every chuckle every hiss
is a covenant sealed
and saved for desert days
when there is only you
and the dried shell of my memory
